**Another phrase for
'Heaven'.**

**The place where
Christians believe that
sinners will go instead of
going to Heaven.**

**The place where Christians believe
they will go after they die if they
have followed God's
commandments. They believe they
will be rewarded with eternal life.**

**The place where Christians believe
they will go if they haven't followed
all the 10 Commandments well
enough, before they are ready to go
to Heaven.**

**Stories that Jesus told which
explain why things happen or
which have a moral. The parable of
the sower, the parable of the
mustard seed and the parable of
the tenants in the vineyard are all
examples.**
