settlement

The study of population.

The location of a place on a map. You use write the number along the bottom of the map first and then the numbers up the side.

A tool which shows you the direction of north to help with map reading.

Reasons to leave a place; usually negative things about a place which 'push' people away.

Reasons to go to a new place; usually positive things about a place migrants are moving to.

When people move from one area to another.

A place where people live.

The perception that rural areas offer a near-perfect life.

The countryside.

urban sprawl
